How to Use This Guide

These 20 prompts are designed specifically for Nigerian business owners, entrepreneurs, managers, and professionals. They address real challenges faced by SMEs and growing companies across Nigeria — from limited marketing budgets to operational inefficiencies and the need for professional growth.

Each prompt is ready to copy and paste. Replace the text in [brackets] with your specific details. The more specific you are, the better the AI response will be.

You can use these prompts in ChatGPT, Claude, Gemini, Microsoft Copilot, or any other large language model. No advanced technical knowledge is required.

PRO TIPS FOR BEST RESULTS

1. Always replace [brackets] with your real business details.
2. Add more context about your industry, location, and target customers.
3. Ask the AI to revise or improve the output if the first result is not perfect.
4. Save your best prompts and reuse them with small modifications.
5. Combine prompts (e.g., generate content then ask for a WhatsApp version).

Prompt Categories

- 1–4 Marketing & Lead Generation
- 5–8 Sales & Customer Conversion
- 9–12 Operations & Productivity
- 13–16 Content & Social Media
- 17–18 Customer Service & Support
- 19–20 Career & Professional Growth

1. WhatsApp Status & Broadcast Message Generator

Create high-converting WhatsApp status updates and broadcast messages for your products or services.

COPY & PASTE THIS PROMPT

Act as a skilled Nigerian digital marketer. Write 5 short, persuasive WhatsApp status updates and 2 broadcast messages for my business.

Business: [Your business name and what you sell]

Target audience: [e.g. young professionals in Lagos, market women in Kano, SME owners]

Offer or promotion: [e.g. 20% off this week, free delivery in Abuja]

Tone: Friendly, direct, and trustworthy — suitable for Nigerian audiences.

Include clear calls to action and use natural Nigerian English where appropriate.

TIP: Replace all [bracketed text] with your specific details for the best results.

2. Instagram & Facebook Ad Copy for Nigerian Audience

Generate scroll-stopping ad copy tailored to Nigerian buyers.

COPY & PASTE THIS PROMPT

You are an expert social media copywriter for the Nigerian market. Write 3 Facebook/Instagram ad primary texts and 3 short headlines for my offer.

Product/Service: [Describe what you are selling]

Price point: [e.g. ₦15,000 – ₦45,000]

Target audience: [Age, location, pain points]

Main benefit: [What problem does it solve?]

Desired action: [Buy now, book a call, send a DM, etc.]

Make the copy benefit-driven, use simple language, and include a sense of urgency without being pushy.

TIP: Replace all [bracketed text] with your specific details for the best results.

3. Local SEO & Google Business Profile Description

Optimise your Google Business Profile and website for local Nigerian searches.

COPY & PASTE THIS PROMPT

Write a complete Google Business Profile description and 5 service descriptions for my Nigerian business that will help me rank for local searches.

Business name: [Name]

Location: [City and state]

Main services: [List 3–5 services]

Unique selling points: [What makes you different?]

Target customers: [Who you serve]

Keep the language natural, include relevant Nigerian location keywords, and make it easy for customers to understand what I offer and why they should choose me.

TIP: Replace all [bracketed text] with your specific details for the best results.

4. Email Newsletter for Nigerian SMEs

Create a professional yet warm email newsletter that builds trust.

COPY & PASTE THIS PROMPT

Write a complete email newsletter for my Nigerian business audience.

Business: [Name and industry]

Topic of this email: [e.g. monthly tips, new product launch, customer success story]

Goal: [Educate, promote, or re-engage]

Audience: [Describe them]

Structure:

1. Subject line (3 options)
2. Preview text
3. Warm opening
4. Main body with value
5. Clear call to action
6. Professional sign-off

Use a friendly, professional tone suitable for Nigerian business owners and customers.

TIP: Replace all [bracketed text] with your specific details for the best results.

5. WhatsApp Sales Conversation Script

Handle enquiries and close sales professionally on WhatsApp.

COPY & PASTE THIS PROMPT

Create a complete WhatsApp sales conversation script for my business. Include responses for these situations:

1. First enquiry ("How much is this?")
2. Price objection ("It's expensive")
3. "I'll think about it"
4. Request for discount
5. Closing the sale and confirming payment/delivery

Business: [What you sell]

Average price: [■ amount]

Common objections: [List any]

Delivery/payment methods: [Bank transfer, POS, etc.]

Tone should be polite, confident, and helpful — never aggressive.

TIP: Replace all [bracketed text] with your specific details for the best results.

6. Proposal / Quotation Follow-up Message

Follow up on sent proposals without sounding desperate.

COPY & PASTE THIS PROMPT

Write 4 professional follow-up messages I can send after sharing a quotation or proposal with a potential client.

Context: I sent a quotation for [service/product] valued at [■ amount] to [type of client] X days ago and have not received a response.

Provide:

- Day 2 follow-up
- Day 5 follow-up
- Day 10 follow-up
- Final polite close

Tone: Professional, value-focused, and respectful of the client's time. Suitable for Nigerian B2B and B2C contexts.

TIP: Replace all [bracketed text] with your specific details for the best results.

7. Customer Testimonial Request Message

Ask satisfied customers for reviews and testimonials the right way.

COPY & PASTE THIS PROMPT

Write 3 polite and effective messages I can send to happy customers asking for a testimonial or Google review.

Business type: [e.g. fashion, consulting, logistics, beauty]

Where I want the review: [Google, WhatsApp status, Instagram, website]

What to highlight: [Quality, delivery speed, customer service, results]

Make the messages short, appreciative, and easy for the customer to respond to. Include a simple example of what a good testimonial looks like.

TIP: Replace all [bracketed text] with your specific details for the best results.

8. Upsell & Cross-sell Script

Increase average order value with natural recommendations.

COPY & PASTE THIS PROMPT

Create natural upsell and cross-sell scripts for my business.

Main product/service: [Name and price]

Complementary items: [List 2–3 related products/services with prices]

Customer situation: [e.g. just bought X, or asking about Y]

Write:

1. A WhatsApp message recommending an upgrade
2. A message recommending a complementary product
3. A face-to-face or phone script

Keep the language helpful rather than pushy. Focus on the extra benefit the customer will receive.

TIP: Replace all [bracketed text] with your specific details for the best results.

9. Standard Operating Procedure (SOP) Generator

Document any business process clearly so your team can follow it.

COPY & PASTE THIS PROMPT

Create a clear, step-by-step Standard Operating Procedure (SOP) for the following process in my Nigerian business:

Process name: [e.g. Order fulfilment, Customer onboarding, Daily inventory check, Staff handover]

Business type: [Industry]

Who performs it: [Role]

Tools used: [WhatsApp, Excel, POS, etc.]

Include:

- Purpose of the process
- Step-by-step instructions
- Who is responsible at each stage
- Common mistakes to avoid
- How to handle exceptions

Write in simple English that any staff member can understand and follow.

TIP: Replace all [bracketed text] with your specific details for the best results.

10. Daily/Weekly Team Update Template

Keep your team aligned with professional status updates.

COPY & PASTE THIS PROMPT

Design a simple daily and weekly team update template I can use in WhatsApp or email for my Nigerian business.

Business: [Type]

Team size: [Approximate]

Key areas to report: [Sales, operations, challenges, next actions]

Provide:

1. Daily update format (short)
2. Weekly update format (more detailed)
3. Example filled with sample data

Make it practical and quick to complete so my team will actually use it.

TIP: Replace all [bracketed text] with your specific details for the best results.

11. Inventory & Stock Alert Message System

Never run out of stock or overstock again.

COPY & PASTE THIS PROMPT

Create a simple inventory management message system for my business.

Business: [Retail, wholesale, or service with materials]

Key products/materials: [List main items]

Reorder level: [When stock is low]

Write:

1. Low stock alert message (to me or procurement)
2. Out-of-stock customer message (what to tell customers)
3. Restock announcement for customers
4. Weekly stock summary template

Keep everything short and actionable for use on WhatsApp or email.

TIP: Replace all [bracketed text] with your specific details for the best results.

12. Meeting Agenda & Minutes Generator

Run more productive meetings and keep clear records.

COPY & PASTE THIS PROMPT

Create a professional meeting agenda and minutes template for my Nigerian business.

Meeting type: [Weekly team meeting / Client review / Strategy session]

Duration: [30 or 60 minutes]

Participants: [Roles]

Provide:

1. Clear agenda structure with time allocations
2. Minutes template that captures decisions and action items
3. Follow-up message to send after the meeting

Make it practical for small to medium Nigerian teams that may not have formal admin support.

TIP: Replace all [bracketed text] with your specific details for the best results.

13. 7-Day Social Media Content Calendar

Never run out of content ideas again.

COPY & PASTE THIS PROMPT

Create a complete 7-day social media content calendar for my Nigerian business.

Business: [Name and industry]

Platforms: [Instagram, Facebook, TikTok, LinkedIn, or combination]

Goals: [Brand awareness, leads, sales, engagement]

Audience: [Describe them]

For each day provide:

- Content type (carousel, reel idea, static post, story)
- Caption (ready to post)
- Hashtag suggestions
- Call to action

Make the content culturally relevant and practical for a Nigerian audience.

TIP: Replace all [bracketed text] with your specific details for the best results.

14. Blog Post / LinkedIn Article Outline + Draft

Publish valuable content that positions you as an authority.

COPY & PASTE THIS PROMPT

Write a complete outline and full draft of a LinkedIn article or blog post for my Nigerian audience.

Topic: [e.g. "How Nigerian SMEs Can Use AI to Cut Costs"]

Target reader: [Business owners, managers, professionals]

Desired length: [800–1200 words]

Goal: [Educate, build authority, generate leads]

Include:

- Compelling headline options
- Introduction that hooks Nigerian readers
- 4–6 clear sections with practical advice
- Conclusion with a soft call to action

Write in clear, professional English that feels natural to Nigerian professionals.

TIP: Replace all [bracketed text] with your specific details for the best results.

15. Customer Success Story / Case Study

Turn happy clients into powerful social proof.

COPY & PASTE THIS PROMPT

Help me write a short customer success story / case study.

Client type: [e.g. fashion brand, logistics company, consultant]

Challenge they faced: [Describe]

What I provided: [Service or product]

Results achieved: [Be specific — numbers if possible]

Timeframe: [How long]

Structure:

1. The client's situation before
2. The solution I provided
3. The measurable results
4. A short client quote (I will adjust)
5. Soft call to action

Keep it authentic and suitable for WhatsApp, Instagram, or my website.

TIP: Replace all [bracketed text] with your specific details for the best results.

16. Video Script for Reels / TikTok / YouTube Shorts

Create short-form video content that stops the scroll.

COPY & PASTE THIS PROMPT

Write a 30–60 second video script for Instagram Reels, TikTok or YouTube Shorts.

Topic: [What the video is about]

Business angle: [How it relates to my offer]

Target viewer: [Nigerian audience description]

Tone: [Educational, motivational, or promotional]

Structure the script with:

- Hook (first 3 seconds)
- Main content (key points)
- Call to action
- On-screen text suggestions

Make it conversational and easy to deliver on camera.

TIP: Replace all [bracketed text] with your specific details for the best results.

17. Professional Customer Complaint Response

Handle complaints calmly and protect your brand reputation.

COPY & PASTE THIS PROMPT

Write professional responses for common customer complaints in my Nigerian business.

Business type: [Industry]

Common issues: [Late delivery, product quality, wrong item, refund request, etc.]

For each issue provide:

1. Empathetic acknowledgement
2. Clear explanation or solution
3. Next steps
4. Closing that leaves the door open for continued relationship

Tone should be calm, respectful, and solution-oriented. Suitable for WhatsApp and email.

TIP: Replace all [bracketed text] with your specific details for the best results.

18. FAQ & Auto-Reply System for WhatsApp Business

Save hours by answering common questions automatically.

COPY & PASTE THIS PROMPT

Create a complete set of WhatsApp Business auto-replies and FAQ responses for my business.

Business: [Name and what you sell]

Common questions customers ask: [Price, delivery areas, payment methods, working hours, how to order, etc.]

Provide:

1. Welcome message
2. Away message
3. 8–10 FAQ quick replies
4. How to order guide
5. Payment and delivery information message

Write in clear, friendly Nigerian business English.

TIP: Replace all [bracketed text] with your specific details for the best results.

19. ATS-Friendly CV Bullet Points Generator

Make your CV stand out to both humans and applicant tracking systems.

COPY & PASTE THIS PROMPT

Rewrite and strengthen my CV bullet points so they are ATS-friendly and achievement-focused.

Current role / experience: [Job title and company]

Key responsibilities: [List what you currently have]

Achievements or numbers: [Any results you can quantify]

Target role: [What job you are applying for]

Provide:

- 6–8 strong bullet points using action verbs
- Keywords relevant to the target role
- A short professional summary (3–4 lines)

Focus on impact and results, not just duties.

TIP: Replace all [bracketed text] with your specific details for the best results.

20. LinkedIn Profile Optimisation & About Section

Attract recruiters and clients with a powerful LinkedIn profile.

COPY & PASTE THIS PROMPT

Optimise my LinkedIn profile for better visibility and opportunities.

Current role: [Title]

Industry: [Field]

Years of experience: [Number]

Key skills: [List]

What I want to attract: [Jobs, clients, partnerships, speaking opportunities]

Write:

1. A powerful headline (under 220 characters)
2. A compelling About section (first-person, storytelling style)
3. 5 skills I should prioritise
4. Suggestions for featured content

Make it professional yet authentic for a Nigerian professional audience.

TIP: Replace all [bracketed text] with your specific details for the best results.

You're Ready to Start

You now have 20 practical AI prompts designed for real Nigerian business challenges.

NEXT STEPS

1. Pick one prompt that matches your current need
2. Copy it into ChatGPT, Claude or Gemini
3. Replace the [brackets] with your details
