Commercial-grade career documents for job seekers, professionals, and career switchers in Nigeria and internationally. Documents are ATS-oriented (Applicant Tracking System), clearly structured, and delivered in PDF plus editable formats.

1. Service packages (optional — choose what you need)

Package	What you receive	Price
Essential	One ATS-oriented CV / resume tailored to a target role. One revision. Delivery in 48–72 hours.	■8,000
Professional	CV + role-matched cover letter. Two revision rounds. Email and WhatsApp delivery.	■15,000
Executive	CV + cover letter + LinkedIn profile rewrite. Three revisions. Priority delivery + short application tips.	■25,000

Packages are optional. Select the level that matches your goal, or message us for a custom scope.

2. What you should provide (requirements checklist)

To deliver accurate, professional documents, please send the following after purchase or when you enquire:

- **Full name** as it should appear on the CV
- **Phone / WhatsApp** and professional email address
- **Current CV or resume** (any format) — or a clear work history if you have none
- **Target role / job title** (e.g. Data Analyst, Administrative Officer, AI Content Writer)
- **Job description or advert** (link or copy) when applying to a specific vacancy
- **Years of experience** and education (institutions, years, qualifications)
- **Key achievements** (numbers help: sales, projects, users, savings, rankings)
- **Preferred tone**: formal corporate, startup/tech, or academic
- For **LinkedIn (Executive)**: current profile URL and any headline you prefer
- Optional: portfolio links, certifications, publications, or references

3. How the process works

- Step 1.** Choose a package on the **RuffNeck Digital Store** or contact us on WhatsApp / email.
- Step 2.** Complete payment (Flutterwave on the store) or confirm transfer instructions if arranged privately.
- Step 3.** Send your requirements checklist (section 2) via WhatsApp or email with your order reference.
- Step 4.** We draft your documents and send PDF + editable files within the stated timeline.
- Step 5.** Request revisions within your package allowance; we finalise and close the order.

4. Delivery & standards

- Formats: PDF (submission-ready) and editable (Word or agreed format)
- Alignment with common ATS and international application norms
- Honest representation of your experience — we optimise wording, we do not invent credentials
- Confidential handling of your personal data for the purpose of this service only
